RUBY'S ROAD HOUSE—BLOOMER

The meeting was called to order on October 7, 2008 by Club President W9MM with the following members in attendance K9YLI, NODTO, N9XMU and KC9GYR. Club treasurer K9YLI reported a balance of \$819.87 in the club treasury. The subject of membership and lack of participation in club activities was introduced for discussion without any resolution, it was also noted that membership in other area clubs are also down. W9MM suggested that participants in the Christmas Party could bring donations of unwanted Ham Gear for prize drawings. This is on a voluntary basis, so if you have anything to donate bring it along. A gift certificate for \$150.00 will be given to a lucky member. A lecture on diodes and rectifiers by K9YLI concluded the October meeting. See you at the Christmas Party. Good DX
