---\$828.97 by WB9WKT-- motion to approve KE5NDS, 2nd W9OQI

**Old Business**

RCU bank account W9MM death Certificate work completed  
W9MM death notice was reported to QST last fall--should have been in the magazine  
Antenna project at Sandy's---keeping this active  
Summer picnic stuff---keeping this active  
website

No new changes yet have been added to the page--Sandy will bug Paul

There is a new net script--would like to get that put on the webpage---Sandy will pursue

**New Business**

Thursday night net signup sheet

Earl's original way didn't work due to everyone needing a google account

Earl will send out a monthly calendar of who is doing what night

Email earl [earlh@bloomer.net](mailto:earlh@bloomer.net) to signup for a Thursday.

[tricountyrepeaterassociation@gmail.com](mailto:tricountyrepeaterassociation@gmail.com) is the new TCRA email alias anyone can use to email everyone in the club---plus friends of the TCRA.

Wisconsin QSO party--not very many participated from the club

7:30 WB9WKT presented a talk on "How to See/track the ISS and other satellites"

**side notes not discussed at meeting but on the net**

1. We need to discuss starting our ZOOM meeting earlier so we don't run out of time during the monthly presentations
2. Next ZOOM meeting will be April 11th---time to be determined. Chip will present "ham clock"

**8:00pm Meeting terminated due to 2 things**

1. It was time for the 8pm net to begin on the 145.47 repeater
2. Hot Springs Village tornado sirens started going off--they needed to seek shelter ( if they would have said this @7:35 I would have been suspicious )

Please let me know if I missed anything-----since everyone bailed at 8pm I motioned to adjourn and I then 2nd the motion---(-which is only legal to do in RUSSIA).

See ya all next ZOOM meeting--until then---keep on hamming.
