Old Business Sandy's Antenna was fixed at ARRL Field found a broken 10m Trap Sandy, Gary, Earl worked on that and got the rest all together for her to use once again.

#### New Business

- 1) Chuck had a question About Pi3 Allstar/Echolink so we talked about ham4kits to buy the Sheri sound card/Transceiver, Allstar to set and get your node number, Hamvoip.org to download the software and setup the new node, Earl said he would send the info to Chuck.
- 2) Sandy would like to setup a time to meet John KE5NDS and Linda KF5GEI when they are here in Wisconsin on vacation so she said she would take care of that so that we can get together while they are here.
- 3) Dale N9XMU license will expire on July 13, 2024 so need to setup a time to get the renewal done with the FCC.
