old business

1 Walt's has now cashed the check that was resent of \$60.00--Book keeping back on track

2 Christmas gift purchase will be done in November for the Christmas party and will and name will be drawn from the paid members that are present at the Christmas party in December.

New business

Chuck W5HRW was asking about connecting his node to the Hot springs village repeater and we did pull up the wire diagram for the dR-1X yaesu repeater and the diagram for the Dinah unit that he has from Kits4Hams.com to that he can see how to put the wires together to put the node right at the repeater side and get away from having it at his house as a remote link.
