

MEETING MINUTES

November 13, 2025

Xpeditions in Bloomer and ZOOM

Attending in person: Earl W9EJH, Gary KD9CIT, Chip W9OQI

Attending via Zoomies: Linda KF5GEI, John KE5NDS, Sandy KC9LZW

The meeting was called to order at 7:10 PM by President Earl W9EJH.

The minutes from the October 2025 meeting were read by Earl W9EJH and approved on a motion by Chip W9OQI seconded by Linda KF5GEI.

Treasurer Rod WB9WKT emailed the Treasurer's report to Earl W9EJH. \$848.97 in checking. \$26.91 amount was in savings. Rod WB9WKT purchased a \$100 HRO gift certificate with his own money and reimbursed himself from the club's checking account.

Chuck W5HRW soldered the wires into the radio. It seems to not be locking up anymore.

John KE5NDS has his radio figured out but his microphone seems to be not keying up sometimes when he talks.

Discussion was had regarding the future of TCRA. No one has stepped forward to be an officer. We have not had any new members recently. Consensus was that the biggest loss would be the connection with each other. Ways to keep that connection going outside of TCRA were discussed. Sandy KC9LZW liked the virtual learning/training we had been doing this past winter. Perhaps this could continue outside of TCRA for those interested in presenting and those interested in learning. What would we do about the TCRA website?

Discussed dissolving TCRA and not collecting dues for 2026. We would still do a net each week but no monthly meetings. Several ideas were presented for disbursement of what is in the checking account. More discussion is needed. Linda KF5GEI suggested a special meeting to discuss the future of TCRA be had between now and the TCRA Holiday/Christmas party on Saturday, December 13, and all seemed in agreement. **WE NEED TO PICK A DATE SOON TO DISCUSS THIS.** Earl - let's you, me and Rod discuss this and send out an email to poll the group on possible dates before December 13.

Saturday, December 13, 2025, will be the TCRA Zoom Christmas/Holiday virtual party. Virtual party starts at 6:00 PM Central Time drawing for gift 6:30 PM. Earl will be joining from Florida.

In order to have your name in the drawing for the \$100 HRO gift certificate, you must be present virtually on Saturday December 13, 2025 and Paid 2025 membership if you are not sure go to <https://tcra.org>, for the TCRA Holiday/Christmas Party so SAVE THE DATE!!!
On a motion from Linda KF5GEI and seconded by Chip W9OQI, the meeting was adjourned at 7:58 PM

Thank you Earl and Sandy for covering my Butt. Funny how much trouble you 2 can cause when I'm not around. It should be the OTHER way around.

Stay tuned for more email information coming about the Future of the TCRA.
